January 30, 2021. Park n' Praise was held by the youth of the South Bahamas Conference. Determined that nothing was going to stop their praise, the young people ministered to their parked audience through music and spoken word.

As the spectators enjoyed the concert from their vehicles, thousands viewed the stream LIVE via social media.

Mr. Mike Nazaire, a youth from the Living Faith Seventh-day Adventist church presented the charge to his peers under the caption, "We Pass This Way But Once." He gave illustrations to emphasise the point that we should be sympathetic to the needs of others.

Park n' Praise will be a monthly joint initiative in 2021 and will be conducted by our Youth Ministries department. Be sure to listen out for the next one. Contributed - *SBC Media Network*.
