WORLD ADVENTURER DAY

Hello amazing Adventurers!

Greetings filled with joy and hope on this World Adventurer's Day! Today, we come together as a great family, connecting hearts from all parts of the world under this year's inspiring motto: **"Jesus knows, He takes care of you."**

The theme for this year is like a giant hug from Jesus to each one of us. Did you know that the Bible tells us that Jesus is like a good shepherd who takes care of His little sheep? In the Book of John 10:14-15 (NIV), Jesus says, "I am the good shepherd; I know my sheep and my sheep know me—just as the Father knows me and I know the Father and I lay down my life for the sheep." How incredible to know that Jesus knows us and takes care of us!

I want you to remember that, just as Jesus takes care of the animals and the flowers, He also takes care of each one of you. He is always by your side, guiding you and loving you dearly. That is something wonderful! Today, I encourage you to immerse yourselves in the spiritual and recreational activities we have prepared. May every moment be an opportunity to strengthen our connection with Jesus and each other.

We pray that today will be a blessing for all of you, your families, churches, and local communities.

We know that anything you do for God will always bring a smile to all our faces!

May the love and joy of Jesus always

accompany us. In His Global Squad,

World Adventurer Day is a significant celebration aimed at highlighting the positive impact that this ministry has on the lives of children and their families. It is a special day dedicated to recognizing the importance of the spiritual and emotional education provided by the Adventurer's Club. Through this day, we aim to inspire the community to actively participate in shaping the next generation, fostering a connection with God from an early age.

This year's motto, "Jesus knows, He takes care of you," reflects the trust and security we want to instill in every child, reminding them that they are always under the loving care of Jesus.

This day is not just a local celebration but an opportunity to unite Adventurer communities worldwide, strengthening spiritual bonds and sharing the joy of guiding children in their Christian growth.

*Greetings from Andrés J. Peralta
World Director of Adventurers*
