

Jesus is the Answer- A heart of gratitude

A heartfelt Thank You to the Team Leaders and Members of the South Bahamas Conference.

I write to you with a heart full of gratitude and joy as I reflect on the success of the recent evangelistic series, "Jesus is the Answer," led by the esteemed evangelist Steven Gates. Your unwavering support, dedication, and hard work have significantly impacted the lives of many individuals in our community.

On behalf of the administration of the South Bahamas Conference, I would like to express our deepest appreciation for everything you have done to ensure the success of this evangelistic endeavor. Your commitment to spreading the message of hope and salvation has not gone unnoticed, and we are immensely grateful to each one of you.

It is with great joy that I announce the baptism of 131 souls because of your collective efforts and God's grace. These individuals have made life-changing decisions to commit their lives to Christ, and it is thanks to your tireless dedication and support that this milestone has been achieved.

We give all glory and thanks to God for the blessings bestowed upon us during this time of outreach and ministry. Your hard work, prayers, and willingness to serve have made a difference in the lives of many, and we are inspired by your passion for sharing the love of Christ with others.

As we celebrate this significant achievement together, let us continue to uphold one another in prayer and look forward to future collaborations and achievements. Your efforts have not only impacted the lives of those who have been baptized but have also planted seeds of faith that will continue to grow and flourish in the days ahead. We are confident that with your continued dedication, we will achieve even greater milestones in the future.

Once again, thank you to each team leader and member of the South Bahamas Conference for your invaluable contributions to the success of the "Jesus is the Answer" evangelistic series. May God bless you abundantly as you faithfully serve Him and His people.

With heartfelt gratitude and warm regards,

Leonardo Rahming
Evangelistic Series Campaign Coordinator
