Congratulations 2020 Graduates

Bahamas Academy celebrated students of the Elementary Division on June 9, 2020 by hosting a Drive-through Ceremony. Students received well-deserved packages after working diligently this past school year despite the pandemic of COVID-19. Leading the procession were the Valedictorian, Asia Rahming, and the Salutatorian, Christopher Carter. As the students transition into a new phase of their lives, teachers and administrations desire that they leave with a profound memory of elementary school. Despite the current circumstance, we pray that all students realize, "Prayer plus hard work equal success." The students were privileged to have well-wishers shout, scream, and honk horns as pride raced through each heart. We hope that this memorable occasion will be etched on the mind of each family of the class of 2020, 'the Quarantine Graduates'.

The night ended with a Snuggle n' Read where the students were read to by several individuals including Mrs. Yvonne Lewis-Shelton, manager of Dare to Dream, 3ABN. Contributed by - Mrs. Tamiaka Fawks, Grade Six Teacher, Bahamas Academy.
